LOCAL MATTERS.

to suit all ages and degrees of skill in swimming. No better-regulated and con-venient bathing-houses, with every neces-sary safeguard, exist anywhere. In conse-quence, the Lido has become a fashionable resort, chiefly for Italians and Germans, resort, chiefly for Italians and Germans, while Americans also are well represented during the season. The mo fleet of steamers that ply between the Lido and Piszza S. Marco, so much to the disgust of Ruskin, are a cheap and facile means of communication between the city and the beach, and give a good deal of animation to the otherwise too silent harbor. If it could be reserved exclusively to the fisherman's ancient craft with their painted States, cloudy weather with rain, south-States, cloudy weather with rain, south-pear in the furthest horizons, the artistic time, and made the following endorsement effects would be more harmonious and com-plete without doubt. But the nineteenth century has its own theory of asthetics, and we may as well get all the enjoyment possi-

adorn their cherished city with their most subtle and delicate graces, weaving them together in a web of material fascination as irresistible as the girdle of Venus, yet hinting without measure at still more delicious joys unseen. Venice is—Venice; and this alone describes it satisfactorily on the whole. But I wish to speak of Venice of a hot summer's early eve, when the lengthening shadows cross its net-work of green waters,

ble out of it without breaking our hearts
